Workshops are available

Front-End · UI/UX · Cybersecurity

 15–17 Nov 2026  Universitas Pelita Harapan

ABOUT EVENT

Explore Your Potential

EVENTHUB is an informatics workshop registration platform that helps participants choose activities, fill in their personal information, and receive an interactive registration summary.

Practical

The materials are designed to allow participants to apply what they learn through hands-on experience.

Interactive

Participants can choose workshops based on their individual needs and interests.

Future Ready

Build skills that are relevant to the ever-evolving world of technology.

OUR WORKSHOPS

Choose Your Workshop

Choose one or more workshops you'd like to join and develop your skills in technology. .
